DUMPSTER DIVE!

Please continue to keep large and heavy items out of the dumpster. Your recent efforts have made a big difference in helping to minimize the dumpsters' overflows and improve our service. Thank you!

SPECIAL ANNOUNCEMENT!

The project day for Sat, 7 Jun, is cancelled. The work currently being done in the park does not require a team. If something does come up, it will be communicated here. I appreciate, too, that many neighbors have already said they would be willing to help.

A GENTLE REMINDER!

Please pick up after your pet so no one encounters any little (or big) surprises.

PARK EVENTS CALENDAR!

If you have an upcoming event and will be using the park or requiring a reservation, please let me know (text & email below). The event will also be added to the [Park Calendar](#).
